

DIDN'T GET THE PRIZE! DANG!

(...OR MAYBE THE SALE, THE JOB, THE PART, THE DREAM HOUSE, THE GUY, THE GIRL, RIGHT TEST RESULTS, THE DEAL, THE WINNING LOTTO TICKET...)

Okay. So the outcome wasn't quite what you had hoped. After the sting wears off, you have a choice: slide down the tube of self-beat up and discouragement. OR, get back out there and kick some butt!

It's not about lying to yourself about what happened. Face it. It wasn't pretty. So go ahead, listen to tunes that (briefly!) languish in the let down. However, given you have dragons to slay and magic to create, the next tune choices on your list get to be about building up to your BEST & STRONGEST self once again (even if just a glimmer of it for now) and moving forward!
